I understand I have to complete the Master of Corporate Governance and Compliance (MCGC) programme within 3 years starting from the first term of the first course that can be counted towards the award of MCGC, not limited to the Distance Learning mode, in order to be eligible for full exemption from the Chartered Governance Qualifying Programme (CGQP) Examinations of The Chartered Governance Institute (formerly The Institute of Chartered Secretaries and Administrators or ICOSA) and The Hong Kong Chartered Governance Institute (formerly The Hong Kong Institute of Chartered Secretaries or HKICS).

Yours sincerely,
